

Ways to get involved:

Preparing a place of rest and renewal for believers - *Volunteer!*

We are hosting working weekends at the Hummingbird Lodge for teams to visit the property and be a part of what God is doing on the mountain. The adventure begins with the journey to Crown King - 26 miles of dirt road on the old railroad bed - a *slightly bumpy* ride that will take you back in time. You'll go through the old stage stop of Bumble Bee, the remains of the Cleator mining town (the general store is still open!) and up the switchbacks to the pines of Crown King. The accommodations will be modest during construction, but the peace & beauty is always grande. Meals are provided, but bring your own bedding. Contact us to register your place on one of our weekend teams. We are looking for skilled and unskilled workers to help in the following areas:

Laborers:

- Clean up the grounds, burning debris
- Clearing and hauling
- Demolition of interior walls
- Painting of interior walls
- Window washing
- Garden preparation
- Wood splitting

Carpenters, Electricians, Drywall Hangers and Plumbers:

- Building new interior walls
- Building a stage
- Bathroom additions
- Interior and exterior stairways
- Install kitchen cabinets
- Exterior siding & repairs
- Deck building

Financial Support: *All gifts are tax deductible!*

- Construction materials, paint & other supplies
- Sponsor an item on our project list
- Sponsor meals for our weekend teams
- Contribute to the building fund

Become part of our ministry team

How can God use your skills to minister to our guests? Is God moving your heart to share your music ministry, hosting and teaching skills or other talents? Here are some areas you can serve in at the Hummingbird Lodge when it opens:

- Help with facilitating groups
- Housekeeping & grounds maintenance
- Food planning & preparation
- Prayer support
- Music ministry
- Teaching sessions
- Outdoor team building exercises
- Shuttle drivers
